

PlanB's vibrant, exhilarating and multi-layered sound harks back to the days when bands cut their teeth performing live shows for real people. Playing well-crafted songs that form from a rich and varied wellspring of inspiration, this exciting, brassy, eight-piece ensemble will have audiences on their feet from the get-go. Hailing from Adelaide and reforming in 2010 after a lengthy hiatus, the band has regularly toured internationally ever since. Recent tours have placed the boys in locations such as Glasgow, Siem Reap, London, Jakarta, Ulaanbaatar and Beijing, and has seen them appear on the same festival bills as Chris Farlowe, Primal Scream, Cliff Bennett, Focus and Newton Faulkner. To date, PlanB has released two well-received studio albums and one live album, and is currently recording a third studio album slated for release in late 2019.

Testimonials

"charismatic and talented"
Cambridge Rock Festival August 2016

"With a killer new line-up and fresh off the back of a UK tour, Plan B's sophomore album Time is a Diamond is eleven tracks of pure swingin' sound. [This] album is one to play any time you're in the mood to dance! The band's effervescent energy [powers] the entire album from start to finish."

Cait Larcombe Steam Train Voice FM, Ballarat, Victoria November 2016

"Without a doubt one of the best bands to visit us here in Vietnam, and one of the best live bands I've seen. Joe's Cafe MUINE will always welcome another visit from PLAN B!!! Thanks for the awesome show!"

Joe, Joe's Cafe Muine, Vietnam June 2017

"It's Sunday night and I am still buzzing from the gig PlanB played to a full house at Sharky's [...]. The videos and the recorded sound just don't do these guys justice. Live they are phenomenal [and] the show they delivered was up there with the best I have ever seen and I have seen a few. They are the nicest bunch of people you will ever want to meet no prima-donnas just professional and talented. [...] You guys kick ass."

Ben Brett, Part Owner/Manager Sharky Bar Phnom Penh, Cambodia July 2017
